The exhibitor hereby applies to enter the vehicle described above in the Boise Roadster Show and, upon acceptance, agrees to display the vehicle in accordance with the following terms and conditions:

1. The Boise Roadster Show is aligned with the West Coast Challenge Series and shall be part of the series.

2. The show shall be produced in accordance with the Show Classifications and Rule Book and any additional rules, regulations, and policies adopted by the Producer as of the date of the show. The Exhibitor agrees to be bound by all such rules, regulations, and policies.

3. Due to space limitations and building capacity requirements, the Producer reserves the right to deny entrance to an accepted entry once the exhibit building has reached capacity. In such circumstances, exhibitors denied access will be entitled to a full refund of any entry fees paid to the Producer.

4. As between the Exhibitor and the Producer, the Producer shall have final authority to determine the location of an Exhibitor's display within the show and the Exhibitor's compliance with the applicable rules, regulations, and policies.

5. Once the Exhibitor's display and/or vehicle has been set up in the show, it shall not be removed, dismantled, or concealed before the official end of the show without permission of the Producer.

6. Neither the Producer, the sponsors, nor their respective officers, directors, shareholders, employees, representatives, or contractors, nor the owner or operator of the building in which the show is produced, shall be responsible or liable for loss of or damage to any part of the Exhibitor's personal property, including, but not limited to, the Exhibitor's vehicle, trailer, display, materials, and/or parts, to the fullest extent permitted by law. The Exhibitor waives claims against such parties for such loss or damage to the fullest extent permitted by law. The

Exhibitor agrees to obtain insurance covering the foregoing property and assumes responsibility for any loss or damage. This signed entry agreement supersedes all prior or contemporaneous agreements and understandings, whether written or oral, between the Exhibitor and the Producer or its employees, show staff, representatives, and subcontractors concerning the entry. No modification shall be effective unless approved by the Producer in writing. The parties agree that disputes arising from this agreement shall be resolved by binding arbitration in Idaho, subject to applicable law.

7. No commercial advertising is permitted with entries unless appearing in conjunction with paid commercial exhibit space or otherwise approved by the Producer. A single modest sign may identify major modifications, the individuals or businesses that performed them, and the equipment used. Large advertising signs, handbills, and distribution of business cards are prohibited without the Producer's approval.

8. In consideration of acceptance of this entry, the Exhibitor authorizes the Boise Roadster Show and its assigns to photograph and record the entered vehicle and display and to use those images and recordings for publicity, advertising, and promotional purposes before, during, and after the event, including in newspapers, magazines, television, websites, social media, and other digital or print media, without additional compensation. Use of any person's name or likeness is subject to applicable law and any required consent. This permission does not transfer ownership of photographs or recordings made independently by exhibitors or third parties.
