Alcoholic Beverage Policy (regarding racer(s), crew or team member(s) 21 years of age & older)...By signing this registration and in accordance with Idaho State Law, alcoholic beverages may not permitted to be brought into the Firebird facility at any time. If you as a driver or a member of your team break this rule (*at any time during an event*)—the first offense will be the loss of a time trial run. If a second offense occurs, the penalty will be the loss of competition privileges/points for the entire season.
