Thank you for registering for the 2022 Boise Muffler Championship Points Series at Firebird Raceway. Please check the appropriate box below designating the program you'll be registering for:

**2022 (Summit E.T. Finals) GOLD CUP Series**     **2022 JR DRAGSTER or JR STREET Series**

I agree to abide and follow the rules and regulations set forth by Firebird Raceway and the National Hot Rod Association, which is outlined in the 2022 Bracket Racing Handbook and NHRA Rule Book.

Alcoholic Beverage Policy (regarding racer(s), crew or team member(s) 21 years of age & older)... By signing this registration and in accordance with Idaho State Law, alcoholic beverages may not permitted to be brought into the Firebird facility at any time. If you as a driver or a member of your team break this rule (at any time during an event)—the first offense will be the loss of a time trial run. If a second offense occurs, the penalty will be the loss of competition privileges/points for the entire season. We take no pleasure in enforcing this rule, but State Law and the fines and penalties that can be imposed at any event towards our licensed facility require all participants, crew, and patrons to comply with Idaho code.
